

KATANA NGUMBAO

Developer | Virtual Assistant | Cyber Safety Advocate

Kilifi, Kenya | +254 703 874 827 | katanangumbao20@gmail.com

PROFESSIONAL SUMMARY

Developer, virtual assistant and cybersecurity enthusiast who helps startups do more with less. Founder of KataStrike Intelligence and co-founder of SmartDuo Assist, with over two years of client-facing experience in field sales and microfinance. I build clean, maintainable web and mobile software, take busywork off busy founders, and turn complex security ideas into simple, actionable guidance.

CORE SKILLS

Development	HTML, CSS, JavaScript, Node.js, Express.js, MySQL, database management, Dart, Flutter
Virtual Assistance	Calendar and inbox management, research and data entry, CRM and portal data management, workflow automation
Tools	Google Workspace, Microsoft 365, Trello, Notion, Asana, ClickUp, Zapier, Make
Cyber Safety	Security awareness training, threat research, digital safety guidance, ethical hacking (learning)
Professional	Client relationship management, clear communication, reliability, fast learner

VENTURES & EXPERIENCE

Founder | KataStrike Intelligence (KSI) March 2026 – Present
“Striking Digital Ignorance. Securing Africa.”

- Founded a cybersecurity awareness and digital safety brand from the ground up, including a go-to-market strategy, a content library and a structured 12-week awareness program.
- Researching emerging threats and turning complex security concepts into simple, actionable insights for everyday users.
- Designed pricing and outreach strategy for institutions such as SACCOs, positioning the brand for partnerships and staff training engagements.

Co-Founder | SmartDuo Assist September 2025 – Present

- Co-founded a virtual assistant support brand with a team of collaborators, delivering virtual assistant services as a group under one brand.
- Delivered well-structured, efficient software solutions for the venture, aligned with its core business goals.

Field Sales Agent | Platinum Credit 2025

- Built client relationships across schools, county offices, hospitals and other government departments, guiding each client through registration for check-off loan products.
- Captured accurate client details through the company portal; onboarded 50–60 clients and met performance targets, recognised twice with rewards from management.

Ground Sales Agent | Mysol Kenya (Engie Energy) 2023 – 2025

- Engaged remote and underserved communities to introduce solar energy solutions, building trust with first-time customers and guiding them through sign-up.
- Recognised by regional management with a bonus for registering 7 clients in 5 days.
